## **Make On-line Payments through ATOM Software**

Process payments seamlessly using ATOM's integrated bill pay system. ATOM has integrated with Authorize.net to offer on-line credit card and e-check payments for you and your clients. Your clients can now pay their bills through the client portal using their credit card or bank account. If you are interested please contact our office for more information. And if you need a credit card processor that is fully integrated with ATOM we recommend EPS Financial. Their credit card processing application is provided below and you can contact them at 844-244-1787.
